

## Great Examples To Consider

### *Philippians 2:19-30*

This morning in the text before us, we see two excellent examples of service to the Lord, to his servant Paul, and to the church. We would do well this morning to learn from and emulate these servants who display the Christ.

Three Characteristics that we see in Timothy & Epaphroditus that we should also have.

- They were considerate vs.19-21

Don't overlook the importance of doing the little things consistently.

- They were caring vs. 22-24

Are you sensitive to the Lord, his Word, and his people's needs?

- They were faithful vs. 25-30

They were faithful to brothers in a time of great need.

When was the last time that you presented yourself before the Lord in prayer and confessed Lord , "Here am I, use me anyway that you choose?"
